- 244 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, two models in Air India (VT-DJX) and Pakistan International (AP-AFS) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 245 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, two models in Guest Aerovia Mexico (XA-NAF) and LAV (YV-C-ANE) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 246 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, two models in Sabena (NI007C) and Iberia (EC-ARN) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 247 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, two models in TAP (CS-TLE) and TAP (CS-TLA) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 248 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, two models in Real (PP-YSB) and Cubana (CU-T602) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 249 Small World Models 1:200 Scale Airliners, Lockheed L-1049 Super Constellation, three models in Seaboard & Western (NIOIOC), Flying Tiger Line (N6917C) and Slick Airways (N6936C) liveries, in original boxes, VG-E, some tyres perished or missing, Seaboard & Western missing small flap from landing gear, Flying Tiger with scratch to decal, boxes VG (3)
£80-120
- 250 Small World Models 1:200 Scale Airliners, Lockheed L-1649 Starliner, two models in Trans Atlantic Argentina (LV-GLH) and Willair International (N808IH) liveries, in original boxes, VG-E, some tyres perished or missing, boxes VG, one lacks label (2)
£80-120
- 251 Small World Models 1:200 Scale Airliners, Prototype Lockheed L-1049 Super Constellation, Curtiss C46 Commando in Fred Olsen (LN-FOR) livery, in original boxes, VG-E, some tyres perished or missing, boxes VG (2)
£80-120
- 252 Heathrow Models 1:200 Scale Aircraft, A.W. 650 Argosy (B.E.A), Douglas D.C.3 (Cambrian Airways), Vickers Viscount (Cambrian Airways), Avro Tudor (British South American Airways), in blue boxes, VG-E, Avro Tudor with one prop replaced, boxes VG (4)
£100-150
- 253 A Dinky Toys Code 3 1:200 Scale Lockheed Constellation by John Alcott, Lockheed R7V-2 Turboprop (U.S Navy), signed to underside by John Alcott, in red box, E, box VG
£80-120

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 254 A Dinky Toys Code 3 1:200 Scale Lockheed Constellation by John Alcott, Lockheed WV-2 Super Constellation (U.S Navy), signed to underside by John Alcott, in red box, E, box VG
£80-120
- 255 A Dinky Toys Code 3 1:200 Scale Lockheed Constellation by John Alcott, Lockheed Constellation EC-121H (U.S.A.F), signed to underside by John Alcott, in plain buff box, E, box G
£80-120
- 256 A SM200 Special Models 1:200 Scale Boeing 747SP, in Royal Air Maroc (RAM) livery, 'CN-RMS' registration, in original box, E, box G
£50-70
- 257 A Sky Classics SMTS 1:200 Scale Tupolev TU 104, in Aeroflot livery, 'CCCP-42460' registration, in original box, E, box VG
£60-80
- 258 1:200 Scale White Metal Aircraft, Wojtec Fairey Rotodyne, 'XE521' registration, The Art Of Classic Airlines Avro 748 in Skyways Of London livery, 'G-ARMV' registration, Code 3 Western Models Lockheed L-1049G Super Constellation in 'Avianca Columbia' livery, registration 'HK-175', DH Models Comet 4B in BEA livery, 'G-APMA' registration, in original boxes, VG-E, Comet slightly discoloured, boxes F-VG (4)
£80-120
- 259 1960's Siku F-Series 1:250 Scale Model Aircraft, F27a Boeing B52 Stratofortress, F32a Lockheed WV-2 Radar Plane, F21a Martin P6M-2, F23a X-15, F10a F100 Super Sabre, F13a Convair B58, F2a Vertol YH-16A, in original boxes, G-VG, Vertol with one blade broken, boxes F-G (7)
£100-150
- 260 1960's Siku F-Series 1:250 Scale Model Aircraft, F3a Boeing 707 Intercontinental "Pan American", F4a Lockheed L-1649 Super-Star Constellation "Lufthansa", F9b Douglas DC-7 Seven Seas "KLM", F18a Lockheed L-188 Electra "KLM", F12b Convair 440 Metropolitan "Alitalia", in original boxes, G-VG, boxes G (5)
£80-120
- 261 1960's Siku F-Series 1:250 Scale Model Aircraft, F9a Douglas DC-7 Seven Seas "Swissair", F4b Lockheed L-1649A Super-Star Constellation "Air France", F4a Lockheed L-1649A Super-Star Constellation "Lufthansa", F18a Lockheed L-188 Electra "KLM", F19a Douglas DC-8 "Swissair", in original boxes, G-VG, boxes F-G (5)
£80-120
- 262 1960's Siku F-Series 1:250 Scale Model Aircraft, F3b Boeing 707 Intercontinental "Sabena", F22a Convair CV-880 "TWA", F7a Tupolev Tu 104 "Aeroflot", F5a De Havilland Comet 4 "BOAC", F1b Caravelle "SAS", in original boxes, F-VG, boxes F-G (5)
£80-120
- 263 1960's Siku F-Series 1:250 Scale Model Aircraft, F20a Fairey Rotadyne, F17a Viscount 814, F34a Saab 35 A Draken, F11a Lockheed F104 Starfighter, F6a Dornier Do 27, F14a Sikorsky S 58, F28a Lockheed U-2, in original boxes, F-VG, boxes F-VG (7)
£80-120
- 264 1960's Siku F-Series 1:250 Scale Model Airport Buildings, F207 Airport Headquarters, F202 Vehicle Hall, F206 Radar Tower, F209 Radio Beacon, F211 Peilstation, F212 FM Transmitter, F200 Large Hanger (2), F210 Anemometer, in original boxes, with loose F202 Vehicle Hall (2), F201 Small Hanger, F200 Large Hanger, F216 Vehicles (3 sets of 3 vehicles), F215 Gangways (2 sets of 3 gangways), F207 Airport Headquarters, F208 Heliport, F-VG, both boxed and loose Airports lack aerial, loose large Hanger with roof pushed in, boxes P-VG, both large Hanger boxes are just remains (qty)
£100-150
- 265 1960's Siku F-Series 1:250 Scale Model Aircraft, loose Siku aircraft including F22 Convair CV-880 "Delta", F15 Nord 2501 Noratlas, F16 Fokker F27 Friendship "Philippine Air Force", F18 Lockheed L188 Electra "American Airlines" and others with boxed Wiking Sikorsky S51, empty Siku F2a box and eight small scale silver aircraft, P-VG, some damages and missing parts, boxes G (26)
£60-80

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 266 A 1950's Raise Up 1:72 'Seaboard & Western' Airlines L-1049 Lockheed Super Constellation Travel Agency Display Model, aluminium construction on tripod stand, 'N6501C' registration to wing, original 'Raise Up Rotterdam Holland' transfer to underside, approx wingspan 18.25", length 17", generally G, lacks all props, nose retouched, stand replaced
£200-300
- 267 A Bravo Delta Models B-17G Flying Fortress 'A Bit O Lace', in original box, VG, one blade on one prop repaired, small piece on nose cone missing, box G
£50-70
- 268 A Unique Home-designed Diesel-engined 'Breakdown Truck', based around Primus Engineering components including radiator, bonnet and wings, fitted with a small diesel engine marked on crankcase 'F 28 4C', driving both rear wheels through a substantial enclosed drive unit, the open-back body labelled 'Tether Car Breakdown Service' and with 'EDS Cressite' wheels, overall G, appears to lack fuel tank
£80-120
- 269 A Pair Of IC-Engined Tether Racing Cars apparently by '1066 Products', both with streamlined pressed aluminium bodies, one in plain aluminium finish with petrol-engined front-wheel-drive chassis, the other in red finish with a diesel engine driving the rear wheels, both F-G, silver car lacks coupling to drive unit, red car missing one wheel nut, two tyres perishing and with slight corrosion to body, supplied with photocopy of '1066 Products' catalogue (3)
£120-160
- 270 An Uncommon 'Jetex'-powered Car, with lightweight pressed aluminium 'fuselage' in two halves, overall length approx 600mm, with Jetex engine fitted to rear, G-VG, together with bag containing Jetex 'Dethermaliser' fuses and fuel pack, (not checked)
£70-100
- 271 A Propeller-Driven E.D. Diesel Tether Car Of Circa 1950, appears fitted with a post-1947 E.D. 2cc engine with approx 200mm wooden prop, E.D. 'Speedicord' wheels and E.D. radiator grille so presumed to be from a kit, the body finished in green on a wooden chassis frame, VG, hooks to nearside of frame for 'round-the-pole' running
£70-100
- 272 A Diesel-Powered Model 'ERA' Tether Racing Car by M&E Models (Exmouth), measuring approx 460mm long overall, fitted with diesel engine and centrifugal clutch driving the front wheels, a nicely-detailed model finished in dark green (radiator cowl) and black (remainder), probably repainted, with brackets for 'R-t-p' running (see lot above), G-VG, some deformation of fitted tyres, spare set included, model has chassis no. 1461, lot includes photocopy of M&E catalogue (2)
£1,000-1,500
- 273 A Petrol-Powered Model 'Special' Tether Racing Car by M&E Models (Exmouth), measuring approx 470mm long overall, fitted with petrol engine to driving the front wheels, (clutch and prop shaft missing), the body mostly of carved wood a finished in blue with 'Fightin' Pappy' transfer to front, with brackets to right-hand side for 'R-t-p' running (see lots above), G-VG, spare Stentor 6cc engine included, apparently model has chassis no. 1424, body no. 86 (or 98?), one small section of body missing under tail, lot includes photocopy of M&E catalogue (3)
£1,000-1,500
- 274 A Diesel-powered model 'MG' Racing Car by unknown builder, measuring approx 490mm long overall, with horizontally-mounted diesel engine and centrifugal clutch driving the front wheels, aluminium chassis frame with body mostly of carved wood (somewhat in the M&E style), a nicely-detailed model finished in black with hand-painted numbers '2', G-VG, engine appears to be seized, together with a small booklet 'Model Race Cars' by Russell and Wright, 1945 (2 inc booklet)
£500-700
- 275 A Diesel-Powered Model 'Isle of Man Monsarati' Tether Racing Car by M&E Models (Exmouth), appears based on the smaller and simpler M&E 'Wasp' chassis, measuring approx 380mm long overall, fitted with diesel engine and centrifugal clutch driving the front wheels, a nicely-detailed model finished in blue as No. 7 with Manx 3-legs motif to radiator cowl, with brackets for tethered running, G-VG, engine appears to be seized
£700-1,000

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 276 A Petrol-Powered Model 'Dragster-style' Tether Racing Car, measuring approx 380mm long overall, the cast aluminium chassis fitted with petrol engine to drive the rear rubber-disc wheels, the body of hand-formed and soldered brass sheet, finished in two-tone green as No.3 and named 'Cooking Pot', large brass fuel tank under bonnet and complete with magneto ignition system and extended shut-off switch handle, VG, engine turns with good compression
£500-700
- 277 A Petrol (Glow-plug)-Powered Model 'Dragster-style' Racing Car, measuring approx 390mm long overall, the cast aluminium chassis fitted with OS 'Max-H' glowplug engine to drive the rear rubber-disc wheels, the body of formed wood composition, finished in plain maroon, large brass fuel tank under bonnet and substantial rear axle drive unit, Swiss 'Maloja' tyres fitted to rear, VG, engine turns with good compression
£500-700
- 278 A Diesel-Powered Model 'Wasp' Tether Racing Car by M&E Models (Exmouth), appears based on the smaller and simpler M&E 'Wasp' chassis, measuring approx 360mm long overall, fitted with diesel engine and centrifugal clutch driving the front wheels, a nicely-detailed model finished in brown and cream as No. 5 with driver, with brackets for tethered running, G, engine appears to be seized
£700-1,000
- 279 A Diesel-Powered Model 'Jaguar SS' Racing/Touring Car by C E Bowden, a faithfully-executed scratch-built model fitted with diesel engine to drive rear wheels, (part of prop-shaft missing), with fine spoked wheels, steerable front wheels, opening doors and leathercloth seats, finished in red-brown with gold lining and reg no. PCB 4647 (presumably a reference to the builder and period of construction), Private Bowden later going on to write the book 'Petrol-engined Model Aircraft' (by which time he was a Lt-Col), copy of book included in lot, the model overall G, length 460mm
£700-1,000
- 280 A Glow-plug engined model Racing Car by unknown maker, overall length approx 420mm, fitted with an ETA "29" glowplug engine to drive the front wheels, finished in black without markings, front of body and chassis in aluminium with carved wood tail section, overall G, engine appears to be seized
£400-600
- 281 A Diesel-engined model Racing Car by unknown maker, overall length approx 420mm, fitted with a diesel engine to drive the rear wheels, lacks clutch unit in drive train, with general 'home-made' appearance, with hand-beaten aluminium body and Stanley hand-drill gears to rear axle (!), F-G, perishing to tyres, two rear wheel nuts and clutch unit missing
£150-200
- 282 An IC-Engined 'Mercedes' Tether Racing Car, with pressed aluminium underframe and bodyshell with 'Mercedes' motif to front cowl, the model appears to have originally had a petrol engine (fuel tank and 'ignition' switch still present, but now fitted with a more modern 'Glowplug' engine and consequently incomplete gear train, fitted with Z.N. Racing tyres, overall G
£400-600
- 283 An Early Hand-built Diesel-Engined Tether Racing Car, with Frazer-Nash-style brass radiator and hinged bonnet, fitted with diesel engine (appears seized), clutch and bevel-gear drive to rear axle, tail section appears to be carved wood, the body finished in black as No. 12, overall length approx 390mm, G, perishing to tyres and some crazing to paintwork
£400-600
- 284 A Petrol-engined Racing Car 'Nipper Mark 1' by unknown builder, the body with Alfa-Romeo styling and finished in green with No. 4, the original engine appears replaced with a more modern petrol engine with incomplete drive train, ignition system etc, overall F-G, together with two glass plate negatives which appear to show the car in original form, a b/w print and design drawings (3)
£400-600
- 285 A 1960's-70's Glow-plug engined BRM Formula 1 Racing Car, in aluminium finish as Graham Hill's No. 7, fitted with glowplug engine but missing drive couplings from rear axle, the model fitted with all-round suspension and steering, possibly intended for Radio-control operation, overall length 500mm, G
£400-600

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 286 A Glow-plug engined kit-built American Army type Jeep by KNK (Japan), fully-assembled in khaki green, with glowplug engine (appears to be seized at present, cooling fan, electric lights, radio-controlled clutch and steering (R/C gear appears incomplete and certainly lacks control unit), otherwise G-VG, with hinge-down windscreen, canvas tilt and original (Japanese) instructions
£200-300
- 287 A Diesel-engined model Racing Car based on 'Juneero' components and unmade Bantam Chassis Kit, the chassis frame, body panels and wheels all appearing to be of Juneero construction, fitted with small contemporary diesel engine and belt drive to rear wheels, with steerable front axle, F-G, engine turns but very stiff, red finish to panels a little pitted, together with a boxed, unmade Juneero chassis kit, complete with drawings, wire wheels, metal strips, diesel engine and other fittings to build the Bantam chassis, not checked for completeness, G, some corrosion to certain parts, box F (2)
£200-300
- 288 Two smaller Kit-built i/c-engined Car Chassis with boxes, one the 'Masco Kitten', a light-weight chassis for tethered operation with small diesel engine and friction drive to rear wheels, with original box and building instructions, G, lacks body parts, perishing to tyres, together with a Russian car (labelled 'Mos-go-lite', with direct-drive diesel engine on rear axle, 2-part pressed aluminium body shell and rubber disc wheels, with box and Russian instructions
£200-300
- 289 A small Diesel-Engined Tether Racing Car on Masco 'Kitten' chassis, the basic aluminium chassis infilled with plywood base and fitted with diesel engine driving rear wheels through and an angled friction drive, with neatly-shaped brass sheet body finished in dark blue as No. 8, G-VG, some perishing to rear tyres, complete with Masco instruction booklet
£150-250
- 290 A small Diesel-Engined Tether Racing Car, measuring approx 350mm overall, with appearance of being a commercial/kit-built model, appears to have an E-D Mk iii engine, centrifugal clutch and bevel-gear drive to rear wheels, transverse leaf spring to front axle and quarter-elliptic to rear, the body finished in dark green, G-VG
£150-250
- 291 A small Diesel-Engined Tether Racing Car, measuring approx 290mm overall, with wooden base and carved wooden body, appears to have an E-D 246 engine (presently seized), centrifugal clutch and bevel-gear drive to rear wheels, the body finished in black as No. 3 with red nose, G-VG
£120-160
- 292 A small Diesel-Engined Tether Racing Car, measuring approx 290mm overall, with aluminium base and superstructure, with side-mounted engine (appears seized), centrifugal clutch and gear drive to rear wheels, the body finished in blue and ivory as No. 14, with driver, car fitted with guide pulleys for track-based operation, G
£200-300
- 293 A small Diesel-engined Racing Car by unknown maker, appears to be a commercial product, measuring approx 340mm overall, with aluminium base and cast alloy superstructure, with small engine driving rear wheels (appears seized), gear drive to rear wheels, the body finished in anodised aluminium, car fitted with guide pulleys for track-based operation, G, compression screw appears missing from engine
£200-300
- 294 A small Diesel-Engined Tether Racing Car, appears to be a commercial product, measuring approx 300mm overall, with aluminium base and cast alloy superstructure, with small engine driving rear wheels by direct drive, the body finished in anodised aluminium, car fitted for tethered operation, G
£200-300
- 295 A small Glowplug-Engined 'Stubby-tail' Tether Racing Car by Ohlsson & Rice of Los Angeles, measuring approx 250mm overall, with cast alloy base and superstructure, with small engine driving rear wheels by direct drive, the body finished in blue as No. 34, with cast-in lugs for tethered operation, G, some paint chips to cast sections
£100-150

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 296 A small Diesel-engined Racing Car by unknown maker, possibly a commercial product, measuring approx 310mm overall, with what appears to be carved wooden base and superstructure, with small engine driving rear wheels directly, the body finished in sage green as No. 6, with good representation of spoked wheels, G, a little cracking around nose
£100-150
- 297 A later-issue small Glowplug-engined Formula 1 type 'Sprite Special' Racing Car by Testors of LA, with plastic body, small engine driving rear wheels through gears, with original box and instructions (appears to be model 221-50, G, decal stickers mostly discoloured, box F
£100-150
- 298 Two Racing Car chassis only, both probably commercial products, one with formed aluminium base approx 280mm long, with small diesel engine driving rear wheels through gears, suspension to front wheels, G, front 'tyres' perished, together with an early electric chassis frame of 'Bugatti' outline (approx 290mm long), with basic electric motor driving through contrate gear, rack-operated steering, also G (2)
£100-150
- 299 A 'minimal' American glowplug-engined Tether Racing Car, with shaped plywood 'body' approx 220mm long, brightly-printed 'flame-effect' sides as No. 8, aluminium disc wheels with 'skinny' tyres, engine drives directly to left side rear wheel, VG, artwork to sides marked 'M.J.V.', mirror-imaged to rhs
£80-120
- 300 An unpowered model Sunbeam Racing Car by unknown maker, possibly from a kit, with aluminium frame, 270mm long overall, with semi-elliptic springs and steering to front end, spun aluminium wheels, with cast metal driver (Henry Segrave?), moulded seat, nicely-detailed steering wheel and windscreen, finished in sage green with aluminium bonnet, G-VG, a little loss to 'Sunbeam' bonnet decals
£150-250
- 301 An unpowered carved wooden Racing Car by unknown maker, incorporating some commercial (Juneero or similar) parts to front steering arrangement, the base neatly-carved from a single hardwood sheet, upper body made up in sections from similar wood, with cast metal steering wheel and dash panel, fitted with wooden 'Brooklands-style' exhaust tail, overall length 440mm x 230mm wide, G, some small bonnet 'fins' missing, several stowed inside body
£150-250
- 302 An unpowered carved wooden model of Sir Malcolm Campbell's Speed Record Car 'Bluebird' by Planearts Manufacturing, measuring 600mm overall, beautifully carved in mahogany wood (in the Philippines, evidently), and finished in Campbell's trademark blue with hand-painted crossed flags and Bluebird motifs to front end, G-VG, small section of tail fin missing
£80-120
- 303 Assorted vintage model Motor Racing spare parts wheels tyres and other items, boxed sets of 'Airyda' and 'Raylite' Racing Car wheels/tyres, large quantity of other wheels and tyres, sundry other parts including fuel tanks, spare axle, silencers, engine components and other parts
£80-120
- 304 Vintage model Road Signs and Retro Racing Literature, a group of vintage road signs including early Bing Railroad Crossing sign (F), a Lionel ditto with lights, two Johillco Belisha Beacons, an Astra Traffic Light and four pre-Warboys UK road signs (probably home-made and 10" high), for 'Crossing No Gates', 'Children', 'Hill 1 in 12' and one having lost its paper face, together with approx 50 Retro Racing Car Club newsletters, 3 books on model racing and related literature mostly G (qty in 2 boxes)
£60-90
- 305 Boxed 'FROG' Model Aero Engines and accessories (6), a petrol '175' engine with plastic airscrew, condenser, coil and instructions, two '249BB' diesel engines in different era boxes, separately boxed condenser and coil units, foreign-language instructions for diesel engines, and parts drawing for the 349 diesel, all appear G, boxes F-G (6)
£80-120

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 306 A varied assortment of boxed small Diesel and Petrol Engines (9), including three P.A.W. 1.49cc engines in different boxes, Allbon Javelin, EPC 'Moth' (dismantled but with paperwork), 0.75 and 1.3cc Mills engines (.75 with corroded crankcase), a Webra T4-40 petrol engine with instructions and spare cambelt, and a Saito (Japan) FA-40 Special 4-stroke engine, generally all appear G, boxes F-G (9)
£100-140
- 307 Boxed 'ED' Model Diesel Engines of various eras (7), comprising Mk1 diesel, 2.46cc Mark III/series2, a 2.49cc Mark III with Glo-plug conversion set, (all these with early Villiers Road address), two 'Seagull' 1cc water-cooled engines, both with Island Farm Rd address, and later edition 'Super Hunter' and 'Super Otter' water-cooled engines with Brighton Road address, both appear unused, others generally G, boxes F-G, some oil-staining (7)
£100-140
- 308 Assorted vintage model sparkplugs glo-plugs and a 'Juneero' engineering set (qty), a large assortment of spark plugs by Champion, AC and Lodge, many in original boxes/packaging, various glo-plugs (some evidently used), a small Cox Babe-Bee 0.049cc engine, and a Juneero set with cutting/bending machine and various materials, in original box, mostly G, boxes G (qty)
£60-80
- 309 Three boxed model Aero Engines and silencer (4), all in new, unused condition, comprising Hirtenberger 40 F-RC 'Gold Cup' serial No. 1-1219, and Enya 60-III (model 7033) engine with instructions, and separately-boxed Exhaust Muffler, and an Enya 19-V glo-plug engine (model 4005) in a possibly-incorrect 'Flash' engine box, all appear VG-E, unused, boxes VG (4 boxes)
£100-140
- 310 An unmade 'Kompact Vertical' Steam Engine Kit by Cheddar Models (qty), in original box, including boiler, gas tank and bag of engine components, (no instructions found), with a separately-bagged condenser/oil separator unit and boxed made-up single-cylinder No. 1 steam engine by Tony Green, all appear VG, none checked for completeness, lacks paperwork (qty)
£100-140
- 311 A made-up 'Pintail Horizontal' Marine Steam Engine by Cheddar Models, in original box, assembled with centre-flue boiler fitted with water gauge and pressure gauge, V-twin oscillating engine with lubricator and reversing/regulator valve designed for R/C operation, some additional pipework (appears to be for gas burner but may not be complete), overall VG, unused, includes description leaflet but no instructions or certificates found
£200-300
- 312 A finely-made model triple-expansion Marine Compound Engine, with hand-crank mounted on output end of crankshaft to demonstrate the operation, overall height approx 9", mounted on wooden base 12" x 8.5" on a turntable mounting, the model appears to include working valve gear, exhaust condenser and other fittings, finely engraved decking plates, steps and handrails, overall G-VG, appears to be made as a demonstration model rather than a workable engine
£200-300
- 313 Two small Diesel-engined Control-line Model Monoplanes, one a German fighter aircraft in 'camouflage' colours with No. 7 and black cat motifs to nose, the other a very simple wooden 'plane, both fitted with plastic props, both with perishing to rubber tyres and other damages (2 + some loose parts)
£50-80
- 314 A plinth-mounted Model Petrol Aero-engine, with air-cooled single cylinder approx 25mm dia x 40mm stroke, fitted with 380mm wooden propeller, carburettor and silencer, NGK C7HSA spark plug and cord-pull starter fitting, appears commercially made but unidentified, VG
£80-120
- 315 An uncommon and Early plinth-mounted Model Petrol 6-cylinder Radial Engine, engine overall approx 180mm diameter, with 6 air-cooled cylinders, external valve linkages (some parts missing), lacks ignition system, F, various parts missing, two pipes supplied loose
£120-160

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 316 A Vintage Scratch-built single-cylinder Petrol engine, the cast-iron cylinder without cooling fins, appears approx 25mm x 25mm, fitted with rocker-driven overhead valves, Canadian 'Champion' J-8 spark plug, substantial 120mm iron flywheel and fabricated crankcase, camshaft driven by 2:1 Meccano gears, with incomplete fuel system and primitive but adjustable ignition contacts, all mounted on a hardwood base and standing 250mm high, G
£120-160
- 317 A single-cylinder 2-stroke Petrol engine for Marine or Stationary use, the cylinder appears approx 25mm x 25mm, fitted with KLG 'Mini' spark plug, substantial 75mm brass flywheel and die-cast crankcase, with incomplete carburettor (feeding via crank-case) and ignition contact points, mounted on hardwood blocks and standing 250mm high, appears commercially-made but not identified, G-VG, lacks silencers
£70-100
- 318 A single-cylinder Adcolantic (by Impex, Brighton UK) water-cooled Petrol engine for Marine or Stationary use, the approx 30cc alloy cylinder with water jacket and overhead camshaft driven by external toothed belt, with carburettor, NGK CM-6 spark plug, flywheel-magneto and contact points, the cambox labelled 'Adcolantic, England to one side and 'SP' to the other, overall VG, spark plug cap missing, small nick to cambelt
£120-160
- 319 A single-cylinder Impex (Brighton, UK) water-cooled Petrol engine for Marine or Stationary use, the approx 30cc alloy cylinder with water jacket and overhead camshaft driven by external toothed belt, with carburettor, NGK CM-6 spark plug, flywheel-magneto, condenser and contact points, the cambox and other covers in metallic blue, appears to be serial No. 225, mounted on softwood blocks and standing 200mm high overall, VG, spark plug cap missing
£120-160
- 320 A vintage single-cylinder 4-stroke Petrol engine for Marine or Stationary use, the cylinder appears approx 25mm x 30mm, fitted with unmarked spark plug, overhead rocker-operated valves, substantial 85mm iron flywheel and die-cast crankcase, with brass fuel tank and carburettor, ignition contact points, and coil in wooden case, mounted on finely-carved hardwood base and standing 230mm high, possibly commercially-made but not identified, G-VG, with direct (open) exhaust
£120-160
- 321 Taplin Diesel Engines and Ship's Fittings (6), Taplin single-cylinder and 'Taplin Twin' engines, both designed for water-cooled (marine) use, together with a Taplin-Baker 'Hydrojet' unit, a water pump unit and a reversing marine gearbox, all G, with some associated publicity information (6)
£100-140
- 322 Three Diesel Aero Engines, all with compression ignition, including a plinth-mounted engine by Henleyston Products Ltd of Barnet, stamped 'Mk 3', a larger engine mounted on a frame, with distinctive spherical cooling fins and elongated crankcase, fitted with adjustable-pitch 340mm propeller, and a smaller engine of diecast components, stamped B973/8, with 250mm wooden prop, all appear G (3)
£120-160
- 323 A pair of Bulkhead-mounted Petrol Aero Engines and related books, of similar design, both mounted on wood/aluminium bulkheads with extension controls for test running, with 340mm and 370mm wooden props respectively, both with parts of, but not complete, ignition systems, both G, one with damaged spark plug, together with 2 books on model petrol engines (4)
£100-140
- 324 Four Model Petrol Engines for Marine or Land-based use (4), all single-cylinder machines with heavy flywheels, one plinth-mounted with built-in fuel tank and carburettor (presumed 2-stroke), one with rounded crankcase, another 2-stroke with fuel inlet via crankcase and twin exhaust outlets, the fourth being a 4-stroke with cast alloy crankcase, all G, some minor damages (eg one spark plug cracked), all lack ignition systems (4)
£120-160
- 325 Fourteen small Diesel Engines by ED and DC Ltd, including 5 'Bee' engines, (one with heavy flywheel), two engines with silencers, four more with aluminium heads (appear earlier design, one with red plastic prop) and others marked 0.46 (cc), 1.0 and 1.46, all by Electronic Developments (ED), all appear G (14)
£120-160

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 326 Twelve assorted small Glowplug/Diesel Engines by various makers (12), including O.S. 'Max 10', O.S. 'Max 19' (with water-cooled head and brass flywheel), O.S. 'Pet' x2, and Fuji 049, all Japanese, with 4 larger and two small American 'Thimble-drome' engines, one with propeller fitted, another with aircraft undercarriage attached, and a small diesel with Nylon prop apparently made in India, all appear G (12)
£120-160
- 327 Eleven assorted small Diesel Engines by FROG (11), including FROG 500 (2), 249, 250, 150, 50 (2) and four others, one with brass water jacket, and three others with props attached, one of which appears earlier with taller cylinder and 'Frog' trademark to rear of crankcase, possibly pre-war or early post-war (11)
£120-160
- 328 Five Glowplug Engines by FOX (USA), comprising three model 35's (one with nickelled parts), one model 19 and another slightly larger model not identified, all appear G
£120-160
- 329 One Diesel and Four Model Petrol Engines including one Motorcycle-type engine (5), comprising a finely-built ohv motorcycle engine, appears to include gearbox but lacks output gear, a small board-mounted 2-stroke petrol aero engine with approx 7" wooden propeller, fuel tank and ignition coil, and two more petrol and one diesel mounted on a single board, each with a plastic/nylon prop, all appear G (5)
£150-200
- 330 Five small Water-cooled Diesel Engines, one by Rip-Max with heavy brass flywheel, three by ED (one incomplete - missing crankshaft) and another unidentified, four are G-VG, one P-F (5)
£150-200
- 331 Six Diesel Aero Engines by ED and others, three being 'ED Mk 4' types, one with water-cooled head, an ED Mk III, another engine marked 'K' to crank-case and another unidentified with very distinctive 'tall' alloy cylinder top and round base-mounting, all appear G (6)
£120-160
- 332 Five Diesel Aero Engines by 'K' and others, one with 'K' cast into crank-case, two smaller engines with long cast-alloy crank-cases, both fitted with props (one nylon, one wood), and two others unidentified, all appear G (5)
£120-160
- 333 Four heavier Model Diesel Engines for Marine or Land-based use (4), one marked as an 'n' 5, with brass ETA flywheel, another unidentified with copper water-jacket, heavy steel flywheel and a small pump attached, another possibly home-built with machined crank-case, geared drive to cam-shaft and overhead rockers to valves, heavy steel flywheel approx 2" diameter (curiously fitted with contact points but no evidence of spark plug fitting) and a 2-stroke engine probably also home-made with machined/fabricated crank-case and fittings, 2 small 'plugs' to cylinder head, all appear G, latter has some damage to upper cooling fin (4)
£150-200
- 334 A group of seven assorted Glow-plug Engines (7), including an ETA '29', a K&B '35', Super Tigre '.15', a Merco '61' with silencer, a 'Vega 25', an unidentified engine with very square appearance to crankcase and cylinder fins, possibly home-built, and another with side-mounted valves operated from geared camshafts and substantial alloy cooling fins to head and cylinder, all appear G-VG (7)
£150-200
- 335 Three 'McCoy' Glow-plug Engines and one 'ME Snipe' Diesel (4), two McCoy '19's and one '40' engines, one of the 19's having black cooling fins and red cylinder head, together with a ME 'Snipe' diesel, evidently made in the Isle of Man, all appear G (4)
£120-160
- 336 A group of four Allbon 'Super Merlin' Diesel Aero Engines with original trade box, the four engines all 0.76cc engines by DC Ltd, (Davies-Charlton, Douglas IoM) with red-finished cylinders, two complete with nylon propellers, but only one with the plastic fuel tank, together in an original trade box, engines F-VG, box F-G
£120-160
- 337 Nine miscellaneous small Diesel Engines, five similar very small engines with 'spherical' cooling fins, one with wooden prop fitted, with four different slightly larger engines, one and ED 1.6, others unidentified, one fitted with 8" nylon prop, the majority F-G, most with some light corrosion to crank-case castings (9)
£120-160

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 338 A useable-sized Japanese XenXah single-cylinder Petrol Engine, labelled 'G2C', No. 039927, estimated to be approx 15cc, with Champion CJ6 spark plug, ignition system and carburettor, overall G
£120-160
- 339 Nine small Aero-Engines by DC, five small diesels (appear to be one 0.5 cc and four 0.76cc) and one glow-plug engine, together with three larger engines, possibly 2.5cc 'Rapier' or similar
£100-140
- 340 Four larger Model Petrol Aero-Engines (4), one by Forster Bros mounted on wooden blocks, with 18" wooden prop, Champion spark plug (USA) and condenser, a 2-stroke engine with substantial cast alloy crank-case, angled Pacy spark plug and basic carburettor, another smaller 2-stroke with alloy cooling fins, Champion 'plug' and cast alloy rear-mounting (latter with cracks and some lugs broken off), and a fourth engine stamped L5588 to rear of crank-case, fine steel cooling fins to cylinder and AC108 'plug, all appear G (4)
£200-300
- 341 A Collection of Aero-engine Accessories and Spares (qty), including parts of a Dooling '61' engine, parts of a (dummy?) 7-cylinder radial engine, numerous other engine parts including cylinders, silencers etc, a Taycol 'Standard' 6-12v electric motor designed for model boats (appears unused in original box), 11 assorted wooden (aircraft) propellers and 6 plastic/nylon ones, small amount of related literature, varying P-VG (qty)
£100-140
- 342 A Tri-ang Minic Tinplate Clockwork 62M Fire Engine, with two red plastic ladders, remains of hose, bell (no pole), Minic key, in original colourful pictorial box, G-VG, motor working at time of cataloguing, box P-F
£50-70
- 343 An Unboxed Tri-ang Pressed Steel Articulated Pantehnicon, in the dark blue and white livery of 'Pickfords Removals', from their 'Thames Trader' model range, this early version of the model has a first type tractor unit which does have some scuffing and retouches to the white paintwork, together with a rear trailer with functioning coupling gear (some retouching) and closure bar on the rear doors, overall appears G, the model also includes three unboxed pieces of Tri-ang Spot-On furniture - the #1003 Wing Settee and two #1004 Wing Chairs in red, together with a similar 'child's' Wing Chair in red made by Blue Box (Hong Kong).
£100-150
- 344 A Scarce Unboxed Tri-ang TM7213 Pressed Steel #204 Shell Petrol Tanker, from the '200 Series' range with dark turquoise cab and chassis, a red tank which carries 'Shell' decals to both sides and a large 'Tri-ang' decal to the rear, it retains its original dipstick although is missing the rubber hose, the turquoise paintwork appears generally very good with only minimal signs of wear, the tank does however have some small indentations, with the red paintwork having some scratches and spots of corrosion/holes, overall G-VG
£80-120
- 345 A Scarce Unboxed Tri-ang Pressed Steel Army Truck With 6 Wheel Chassis, in Army colours from the 'Diesel Series' range, a G-VG example of this very hard to find model, retaining its original fabric canopy together with a front number '8' decal and a yellow and blue square Army marking symbol, front grille looks to have once been painted red but majority of paint has been removed
£80-120
- 346 A Boxed Tri-ang TM6125 Pressed Steel Breakdown Truck, in yellow, red and white from the 'Junior Series' range of models, this model appears generally G, with original hook but missing the roof sign and grille/bonnet strap look to be replacements, in a F box with some internal paper tape repairs
£40-60
- 347 An Unboxed Tri-ang Pressed Steel Mobile Canteen Model, from the '300 Series' range in turquoise and white, one of the harder to find models from that series which has been sympathetically restored with replacement decals, although all original body parts would appear to be present
£40-60
- 348 A Scarce Unboxed Tri-ang Pressed Steel RAF Truck With 6 Wheel Chassis, in blue from the 'Diesel Series' range, this very hard to find model appears generally G, retaining its original fabric canopy, 'RAF' lettering to both sides of the body, RAF roundels to both cab doors and front together with a number '8' decal, the model does have some scuffing to the front decals and also some residue (melted rubber?) on the upper portion of the rear nearside body panel, one canopy strut replaced
£80-120

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 349 A Vintage Unboxed Tri-ang TM4505 Plastic Double Deck Routemaster Bus, from the 'Sit N-Ride Series', with 'Shell Super' advertising to both sides of the bus, overall F-G, unusual variant of this bus having a rigid front axle and unconnected 'Tri-ang' steering wheel fitted to the roof, with a Pressed Steel Tri-ang TM6266 'Hi-Way' Milk Lorry, generally G, with full complement of milk bottles and with an intact 'Design Centre London' label on cab roof (2)
£50-70
- 350 A Boxed Tri-ang 1/20 Scale Electric Hillman Minx IIIA Model M018, in green, although untested the model appears G, slight damage to one axle mount and trim has been broken and glued back in place, clean battery compartment, housed in a G-VG harlequin style box with inner plinth and includes both colour catalogue leaflet inserts
£60-80
- 351 A Tri-ang Minic Tinplate Clockwork Pre-War 11M CF Army Tractor, camouflage body, black anodized wheels, single at front, double at rear, slot in seat, in original box, VG, tyres with some cracks/wear, motor working at time of cataloguing, box P, some repair, lacks tab
£100-150
- 352 A Tri-ang Tinplate & Celluloid Gyro Cycle, featuring red tinplate bicycle with detailed tinprinted 'Tri-ang Cord' tyres, red celluloid rider with cloth arms and remains of rubber hands, in original box, generally G-VG excluding the degraded hands, box F
£40-60
- 353 A Tinplate Clockwork Paris Autobus, attributed to Charles Rossignol, with detailed tinprinted windows featuring passengers and period advertising for 'Chocolat Menier', 'Zenith', 'Gibbs' and others, fixed key mechanism, No.115 roof sign, running Etoile Concorde to Opera Bastille route, approx 270mm in length, generally G, motor working at time of cataloguing, roof appears to be an older repaint
£80-120
- 354 A CIJ Europarc Renault Saviem Type SC 10 Autobus Ref.6/11, green/white tinplate body, substantial friction drive motor, brown plastic interior, No.83 roof sign, running Pte D'Italie to Pte De Champerret route, approx 300mm in length, in reproduction box, generally G-VG but front wheels have been reattached to baseplate, motor working at time of cataloguing
£50-70
- 355 Tinplate, Plastic & Rubber Military Toys, including tinplate clockwork Arnold No.2500 Military Police Jeep, with three reproduction figures, early French tinplate Jeep marked 9-4802-B, Japanese tinplate Army Tanks & Planes (4), Siku plastic V92 Jeep, V93 Trailer (2), V640 Dinghy (2), V183 Duck, Barr Rubber Ford Covered Army Truck, F-VG (13)
£60-80
- 356 Schuco Varianto 3010 D Set, containing tinplate clockwork 3041 Varianto Limo and 3042 Varianto Lasto, plastic roadway sections, guide wires, guide rods, connecting tubes, clockwork key, control cable, instructions and other pieces, with Schuco 3000 Telesteering Car, in red with ball, steering wheel and coloured pegs, in original boxes, G-VG, set unchecked for completeness, Telesteering Car lacks original key and control cable, boxes P-F (2)
£50-70
- 357 Tinplate & Plastic Toys, including a Blomer & Schuler tinplate clockwork Skier, Masudaya Modern Toys tinplate lever action Antique Car, Dibro tinplate friction drive Tank, boxed Chinese tinplate clockwork Training Plane, with five plastic vehicles by Tri-ang Toys and Wells Brimtoy, F-VG, Skier lacks one ski pole disc basket, box G (9)
£50-70
- 358 A Schuco Tinplate Clockwork 1013 Mirako-Peter, red detailed tinplate motorcycle with orange headlight lens and blond haired rider figure in red felt clothing, in original box with original key, E, superb example, appears almost completely unused, tested and working at time of cataloguing, box VG
£200-300

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 359 A Scarce Mettoy Tinsplate Clockwork Military Lorry With Aeroplane Carrier & Aeroplane No.128C, c.1939-41, with army camouflaged cab, 'TMC128' reg, fixed key mechanism, blue aircraft carrying trailer, approx 17" in length, Aircraft in army camouflage colours, fixed key clockwork mechanism, folding wings, sparking machine gun, yellow prop, generally G-VG, aeroplane lacks tail wheel and one small tab from tail attaching it to the body, spark defunct
£200-300
- 360 A Scarce Lehmann 'Lo & Li' Tinsplate Clockwork Toy EPL 769, depicting a clown playing a squeezebox and a dancing man with top hat, all on a detailed litho-printed tin stage with diamond checkerboard pattern, a fixed key mechanism and Stop/Start switch, made between 1924-1938, generally G-VG, working at time of cataloguing, some minor chipping around the top edge of the stage, clown figures fabric outfit torn
£1,000-1,500
- 361 Early Arnold Tinsplate Clockwork Coal Mine Toy, detailed tinprinted toy with Coal Wagon moving between Winding House and Mine, approx 340mm in length, generally G-VG, clockwork motor and spark working however wagon does not move as it should, small transparent red plastic piece missing from chimney, with a Louis Marx or similar Honeymoon Express tinsplate clockwork toy, detailed tinprinted toy with central 'Richmond' station with fixed key mechanism, G, train lacks rear retaining clip, one tunnel lacks stop/start switch (2)
£60-80
- 362 A VEB Mechanische Spielwaren GNOM Series Military Set No.53456, comprising Truck with removable tilt, Open Wagon, Field Kitchen and Field Gun, issued between 1955-1965, in original box with inner packing piece, E, appears unused, box G, puncture to base
£60-80
- 363 German Tinsplate Clockwork Toys, including an unusual Adler Streamlined Saloon, red/cream body, adjustable front steering, silver base, unmarked, Gama T56 Tank, Magirus type Tractor (A-212) & two differing Trailers (A-209), possibly by Tippco, F-G, Tank lacks barrel and one axle clip, Tractor motor at fault and towing eye removed (5)
£50-70
- 364 Japanese Tinsplate Aircraft, Yonezawa tinplate battery-operated F-105 Thunderchief Jet Fighter, Linemar Toys tinplate battery-operated American Airlines 'N305AA' Douglas DC-7, Yonezawa tinplate friction drive De Havilland Comet Jetliner, F-G, both battery-operated models working at time of cataloguing (3)
£60-80
- 365 A Gama (West Germany) Tinsplate Friction Drive Strato Clipper Airliner No.1000, in Pan American World Airways livery, registration NI023V, 370mm in length, 510mm wingspan, F-G, friction motors working well at time of cataloguing, patch of corrosion to underside and nose wheel
£60-80
- 366 Large Scale Tinsplate & Pressed Steel Construction Toys, tinplate mechanical Martin Fuchs (MFZ) Excavator Crane, pressed steel Structo Toys Road Grader, approx 440mm in length, Lumar (Marx Toys) Earth Hauler, approx 450mm in length, F-G (3)
£60-80
- 367 A Masudaya Modern Toys (Japan) Tinplate Battery-Operated Whistling Show Boat, No.3180, detailed tinprinted body, two rubber funnels, 'Queen River' to sidewheels, in original box with inner packing, VG-E, tested but not working at time of cataloguing, box G, fading to one side of lid, information in pen to box base
£50-70
- 368 A Masudaya Modern Toys (Japan) Tinplate Battery-Operated Tug Boat Neptune, No.3290, detailed tinprinted body, orange rubber fenders, white plastic light to wheelhouse roof, in original box with inner packing pieces, VG-E, tested and working at time of cataloguing, box G, 'Year 1966' in pen to side of box lid
£50-70
- 369 A Masudaya Modern Toys (Japan) Tinplate Battery-Operated Pirate Ship, No.3421, detailed tinprinted body, removable sails, silver plastic pirate figures, in original box with inner packing pieces, VG-E, tested and working at time of cataloguing, box VG, 'Year 1966' in pen to box lid
£50-70

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 370 A Masudaya Modern Toys (Japan) Tinplate Battery-Operated Queen Of The Sea, No.3240, detailed tinprinted body, red funnels, removable radar antenna and flag, in original box with inner packing pieces, VG, tested and not working at time of cataloguing, box P-F
£50-70
- 371 A Marx Toys (Hong Kong) Tinplate Battery-Operated Tug Boat Catfish, detailed tinprinted body, red rubber fenders, white plastic light to wheelhouse roof, in original box with inner packing pieces, VG-E, tested and not working at time of cataloguing, box G-VG, information in pen to interior of lid
£50-70
- 372 A Yonezawa Toys (Japan) Tinplate Battery-Operated De Luxe Liner Sea Queen, No.724, detailed tinprinted body, red funnels, silver radar antenna, rear steering wheel, in original box, G-VG, tested and not working at time of cataloguing, box P-F
£50-70
- 373 A Masudaya Modern Toys (Japan) Tinplate Battery-Operated Romantic Car, No.3295, detailed tinprinted body, gold trim, folding windscreen, operational control levers, in original box with inner packing pieces, VG-E, tested and working at time of cataloguing but slightly temperamental, box G-VG
£50-70
- 374 Nomura (Japan) Tinplate Battery-Operated Veteran Era Cars, Grandpa's Classic Car, Mystery Action Old Fashioned Car, Grand-Pa Car, all with detailed tinprinted bodies, in original boxes, VG-E, all tested, Old Fashioned Car and Grand-Pa Car working at time of cataloguing, Grandpa's Car not operating quite correctly, boxes G (3)
£60-80
- 375 Japanese Tinplate Veteran Era Cars, ten examples, all lever/crank action or friction drive, including Masudaya Old Fashioned Car No.1, No.2, No.6, No.7, No.9 (2), with remains of trade box, Yoshiya Gay 90 Old Timer Car, Merry Ball Blower Circus Car and one other, in original boxes, G-E, boxes F-VG (10)
£80-120
- 376 A Horikawa (Japan) Tinplate Battery-Operated Old Fashioned Fire Engine, detailed tinprinted body, two light up lanterns, Fireman driver, removable hose reel, in original box, VG-E, tested and partly working at time of cataloguing, lanterns and signal light up but motor doesn't function, box G-VG, information in pen to side of box base
£50-70
- 377 A Nomura (Japan) Tinplate Battery-Operated Fire Tricycle, detailed tinprinted tricycle, seated Fireman figure in uniform with movable arms and legs, neon green plastic headlight lens, 'Fire Dept No.10' to sides and rear, in original box with inner packing piece, VG, tested and working at time of cataloguing, box G-VG
£100-150
- 378 Japanese Tinplate Friction Drive Fire Engines, Kokyu Fire Engine with Automatic Pop-Up Ladder and Bell, SSS Quality Toys Ladder Fire Truck, in original boxes, Kokyu with inner packing and instructions, VG, motors and functions all working at time of cataloguing, boxes F-VG (2)
£50-70
- 379 Marx (Gt.Britain) Tinplate & Plastic Fireman Toys, Smoky Sam the Crazy Fireman and Climbing Fireman No.735, both with fixed key clockwork mechanism, in original boxes, Smoky Sam E, Climbing Fireman G-VG, paint on hands slightly worn, boxes F-VG (2)
£50-70
- 380 A Yonezawa Toys (Japan) Tinplate Battery-Operated Shuttling Dog Train, No.10870, comprising orange train with loading and unloading action, rubber headed dog driver, four pieces of track, automatic loader at one end, loading dock at the other, four 'Sugar' barrels, in original box with inner packing, VG-E, tested and working at time of cataloguing, box G-VG
£60-80
- 381 Japanese Tinplate Friction Drive & Battery-Operated Trains, friction drive large scale Asahi Toy Euro Express, Usagiya Western Train, Daiya Mountain Express Train with siren, Marusan Toys Express, Usagiya Express Silver Arrow with siren, battery-operated Yonezawa Whistling Train with smoking action, Cragstan Freight Train Set, in original boxes, G-E, all tested and working at time of cataloguing, boxes F-VG (7)
£80-120

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 382 Technofix (West Germany) Tinplate Clockwork Novelty Toys, No.300 Alpine Express, No.289 Shunting Train, No.297 Automatic Loader, all complete in original boxes, VG-E, tested and working at time of cataloguing, No.300 key replaced, boxes P-G (3)
£60-80
- 383 A Fine tinplate Paris Renault Bus by Rossignol, made circa 1937 with traditional Paris-type open rear platform and lithographed in lined green and off-white as bus No. 76 on the line 6 to Passy, with driver in place and adjustable steering, overall length approx 12", G-VG, a little scuffing to roof paintwork, clockwork needs repair/adjustment
£180-240
- 384 An uncommon double-deck clockwork floor-running Tramcar by OROBR, fitted with 'to-and-fro' clockwork mechanism (for a very short tram route!) and finely lithographed in brown and off-white, the interior fitted with longitudinal seats downstairs and 'garden' seats to the upper deck, overall length approx 10", VG, mech appeared to be working at time of cataloguing
£180-240
- 385 An uncommon single-deck clockwork floor-running Tramcar by OROBR with electric lights, fitted with 'to-and-fro' clockwork mechanism (similar to the above) and finely lithographed in blue and off-white, the interior fitted with longitudinal seats, the roof opening to access the battery holder which powers the headlights at each end, overall length approx 10", G, mech appeared to be working at time of cataloguing, rusting to battery compartment, wiring incomplete
£180-240
- 386 A tinplate 4-wheel floor-running French Tram by Rossignol, made from around 1910, in lithographed yellow livery with 'CR France' in a shield to the side panels, No. 153 to the dashes, and original coupled wheels, overall length approx 8", F, trolley pole missing, various damages and deterioration to finish, axle drive pinion 'mangled'
£70-100
- 387 A tinplate 4-wheel floor-running Tram by R & C, with finely-lithographed detailing of passengers and wood-grained roof, very tall pressed-tin driver, and wheels permanently set to run in a circle, overall length approx 7", G, one drive gear presently misaligned so mech is non-functional, trolley pole missing
£90-120
- 388 A tinplate 4-wheel floor-running Tram by JEP (Jouet de Paris), a centre-entrance tram in Paris lined green and off-white lithographed colours with route details to waist-rail for the Montrouge - Gare de L'Est line, overall length approx 11", P-F, trolley pole and route number roof fittings missing, bending/damages throughout and especially to ends, mech appeared to function at time of cataloguing
£100-140
- 389 A pair of tinplate 4-wheel floor-running Trams by Ferdinand Strauss (New York USA), both in lithographed red/yellow livery with No. 45 and labelled 'Twin Trolleys' and 'The Trackless Trolley', the motor coach with end-platforms and rather curious clockwork mechanism, the trailer car with centre doors, each approx 7" long, both G, motor car missing trolley pole, mech appears to function but stiff, some other small damages including to coupling pin (2)
£90-120
- 390 A boxed 'EMU Tramways' floor-running Tramcar by East European maker, fitted with friction-drive motor and 'chunky' tyres, lithographed in red/yellow/blue as 'Emu Tram Ways No. 68', in original box labelled 'Emu 12, Foreign', model VG-E, box G-VG slight tearing to one end
£40-60
- 391 Tinplate Friction Drive San Francisco Cable Cars, including Kanto Toys example in maroon and light blue, smaller Hishimo Sangyou example in dark green and brown, CHTF Taiwan example, in original boxes, with three differing loose examples by Hishimo Sangyou and one smaller unbranded Japanese example, G-E, boxes G (7)
£50-70
- 392 Tinplate Electric Cable Cars, two Lehmann Rigi Electric Nr.900 Cable Cars, both appear to be complete in original boxes with instructions, with a Bandai battery-operated remote control Cable Car, in original box, G-E, all untested, Bandai with remote control cut off and missing, boxes F-G (3)
£50-70

Toys for the Collector Auction, 11th Feb, 2025 10:00

- 393 Chinese Tinplate Toy Vehicles, including ME 630 Photoing Car, MF 134 Tourist Coach, MF 162 Motorcyclist, MF 844 Double Decker Bus, MS 770 Ringing Locomotive, MF 946 Car Set, MF 163 Fire Truck, MF 298 Traveling Car and many others, in original boxes with two loose vehicles, VG-E, boxes F-VG (21)
£80-120
- 394 Indian Tinplate Toys by Shri Ganesha, Local Shuttle Return Train, Mechanical Police Patrol Car, Minister Open Deluxe, Minister Deluxe, Mechanical Magic Cross Road, Mechanical Lucky Mouse, Wonder Loco, Ganga Yamuna Express Return Train, Field Gun, Tractor, Sawan Jhoola, in original boxes with one loose toy, VG-E, boxes F-VG (12)
£80-120
- 395 Turkish Tinplate Toy Vehicles by Nekur, Ambulance, Motorcyclist, Jeep J-06, Auto Service K.T.09 Truck, Service Truck, Pikap Auto, in original boxes, VG-E, boxes F-VG (6)
£60-80
- 396 Eastern Bloc Manufactured Tinplate Toys, including Lemezaru Gyar Jaguar, Torpeauto, Motorcyclist, Roli Zoli, Traffic Control Game, Kennel Money Bank, Russian made Mountain Road Toy, Mechanical Railway, Mechanical Garage, Mechanical Highway, Czech made Oldtimer Car, KDN Ladybird, in original boxes, VG-E, boxes F-VG (12)
£80-120
- 397 A Scarce Masudaya Modern Toys (Japan) Tinplate Battery-Operated Champion Motorcycle, detailed tinprinted motorcycle in yellow with red trim, RN27, white headlight with red lens, rubber headed rider, in original box with inner packing, VG-E, tested but not working at time of cataloguing, only headlight lights up, box G-VG
£400-600
